Hi Clete, Barbara, and Corey:

New hardcopies of publications have arrived! Barbara, you expressed an interest in receiving some additional hard copies. Is this still true? If so, which ones and how many are you thinking?

Also, I met a contact in Harris County Government that shed some light on the 'mold certificate' for future home resale. I am wondering if it might be beneficial for ya'll to talk? I can now understand why ya'll have heard 'rumors' about it.

Any new issues coming up with mitigation at your DRC?

Thanks
Christy
